# PATENT ROCKERS,

## CHAIRS AND STANDS,

MANUFACTURED BY

# F. H. CONANT'S SONS,

CAMDEN,

Oneida County, New York, U. S. A.

Established 1851.

## →TO THE TRADE.←

**W**E herewith hand you our revised Catalogue, requesting for it your careful inspection, **both to the greatly reduced prices, and the many new styles**, especially our new Bent Arm Rockers Nos. 114, 116, 118 and 120. These Rockers all have Fringe on the back as well as on the seat, and are nearly three inches higher in the back than similar chairs made by other manufacturers. We have sold during the past two years over 140,000 of our Carpet Rockers to the best Furniture Trade in the country and are the largest manufacturers of this kind of goods in America.

### ◆DESCRIPTION.◆

Our Rockers are hand-turned, of thoroughly seasoned timber, put together with carriage rivets and screws and are very finely finished. Our Pattern Carpets are the best Velvet and Body Carpets, and are very handsome designs. Our Common Carpets are always carefully selected. Our Panels are all handsomely embossed with gold leaf, and are not cheaply stenciled with bronze. All goods shown are constructed so as to ship K. D. Boxed, thus making a great saving in Freight and preventing marring. They are easily set up.

### ◆PACKING.◆

We pack these goods in cases, and charge for cost of same, which is slight.

### ◆FREIGHT.◆

All goods are sold **on cars here. We pay no Freight**, but have Special Rates of Freight to all points in the United States.

### ◆TERMS.◆

Our terms are 30 days net, but we will allow a **Special discount of ~~15~~ per cent.** if remittance is received within 30 days from date of shipment.

Yours very truly,

F. H. CONANT'S SONS.
